By Appointment.

Cariboo Bridge, Fraser Canyon. Like a fort are the hills of the Fraser Canyon marshalled; the dark, rocky cliffs rise sheer and straight, the river runs deep and smooth and broad, while the train forces its way through a land where the only sound is the noise of its own passage re-echoed from the stern walls. At Spence's Bridge the Cariboo wagon track crosses the river by a bridge, and here the scenery becomes strikingly beautiful and inspiring.

(FOR ADDRESS ONLY.)

Printed in England.
